Neighborhood Partnership Program Budget Template

(The below format is not required, but rather serves as a guide)

Please complete the following budget form. Include all costs associated with this project. If there are additional sources of funding or matching funds (such as other grants) or in-kind support (such as donations of services or materials from area businesses, persons, government or organizations) list them in the appropriate column. Each volunteer service hour is worth $23.00 per hour for adults and $11.50 children and youth.

Item Description	Item Cost	Amount requested from the Neighborhood Partnership Program	Amount of revenue and/or contribution from other sources	In-kind donations (type and value of donations)
