ADDENDUM #1

**REQUEST FOR PROPOSALS
FOR HILLCREST ROUNDABOUT
EAGLE COUNTY, COLORADO**

December 15, 2022

RE: Addendum to the Request for Proposals for the Hillcrest Roundabout

To Potential Bidders:

Eagle County had received the following questions regarding the Request for Proposals (RFP) for the Hillcrest Roundabout Project.

- 1. I had a question on the Exhibit D requirements in regards to the CAPIS establishing a Public Information Office (PIO) and Public Information Manager (PIM). I did notice that PIM was not in the bid tabs. Can you please clarify? Do I need to include a PIM on our proposal with fees?**
No. Eagle County will assume all PIM duties. However, if the response to the public becomes overwhelming, Eagle County may ask for assistance from the CAPIS. It has been my experience that no matter how much information you get out ahead of construction, there are always people that are surprised the day that construction starts. Which usually results in numerous calls and emails. This is also typically the case when there is a phase or traffic pattern shift.

If you have any additional questions, please feel free to contact me.

Sincerely,
EAGLE COUNTY ENGINEERING DEPARTMENT

Rickie Davies
Project Engineer
