**Seniors on Broadway LP  
(A Colorado Limited Partnership)  
Notes to the Financial Statements  
December 31, 2018 and 2017**

**1. Organization**

Seniors on Broadway LP (the "Partnership") is a Colorado limited partnership which was formed pursuant to a partnership agreement adopted September 14, 2007, and amended and restated October 1, 2007 (the "Partnership Agreement"). The Partnership is to develop, own, and operate a 14-unit apartment project known as "Seniors on Broadway" (the "Project") and located in Eagle, Colorado. The General Partner of the Partnership is Seniors on Broadway LLC; a Colorado limited liability corporation (the "General Partner") whose sole member, Golden Eagle Elderly Housing Corporation ("Golden Eagle"), is a component unit of Eagle County, Colorado (the "County"). The Limited Partner is NDC Corporate Equity Fund VII, L.P.; a Delaware limited partnership (the "Limited Partner"). Units within the Project are rented to low-income senior citizen tenants and the Project is operated in a manner necessary to qualify for federal low-income housing tax credits as provided under section 42 of the Internal Revenue Code.

In accordance with the Partnership Agreement, profits and losses from operations, and low-income housing tax credits are allocated 99.99% to the Limited Partner and 0.01% to the General Partner.

Pursuant to the Partnership Agreement, the Limited Partner is required to provide capital contributions totaling \$1,926,381; subject to potential adjustments based, among other occurrences, on the amount of low income housing tax credits ultimately allocated to the Project. At December 31, 2018 and 2017, all required capital contributions had been made by the Limited Partner.

**2. Summary of Significant Accounting Policies**

**A. Basis of Accounting**

The Partnership utilizes the accrual basis of accounting, whereby revenues are recognized when earned and expenses are recognized when incurred.

**B. Cash Equivalents**

For the purposes of the Statement of Cash Flows, the Partnership defines cash equivalents as all cash, money market, and savings accounts, plus all investments with original maturities of three months or less.

**C. Restricted Assets**

Certain of the Partnership's assets are classified as restricted assets because their use is limited to specific purposes by legally binding commitments. At December 31, 2018 and 2017, the Partnership held cash balances restricted for tenant security deposits and certain funding requirements imposed by the Partnership Agreement.

**D. Tenant Security Deposits**

Tenant security deposits are placed into an interest-bearing account and are generally held until termination of the underlying tenant lease, at which time some or all of the deposit may be returned to the lessee.

December 31, 2018 and 2017  
(Continued)**

**2. Summary of Significant Accounting Policies (continued)**

**E. Allowance for Uncollectible Accounts**

The Partnership uses the allowance method to recognize the potential uncollectibility of receivables, including amounts due from tenants. At December 31, 2018, the Partnership has recorded an allowance of \$3,188 to provide for amounts which management determined may not be collectible (2017 – \$3,188).

**F. Fixed Assets**

Fixed assets with an initial cost in excess of \$5,000 are recorded at cost. Depreciation of the building structures and major improvements is computed using the straight-line method over an estimated useful life of 40 years.

**G. Debt Issuance Costs**

Debt issuance costs incurred in connection with obtaining long-term financing for construction of the Project are capitalized and amortized to interest expense over the 40-year term of the underlying promissory note using the straight-line method, which approximates the effective interest method. The unamortized amount is presented as a reduction of long-term debt on the balance sheet.

**H. Revenue Recognition**

Rental revenue attributable to residential leases is recorded when due from residents, generally upon the first day of each month. Rental payments received in advance are deferred until earned. Leases are for periods of up to one year, with rental payments due monthly.

**I. Income Taxes**

In accordance with federal and state income tax regulations, taxes are levied on the partners in their individual capacity. Consequently, no provision for federal or state income taxes is reflected in the accompanying financial statements of the Partnership.

The income returns of the Partnership are subject to examination by the Internal Revenue Service and the Colorado Department of Revenue. The Partnership's returns are no longer subject to examination for tax years prior to 2015 and for tax years prior to 2014 by the Colorado Department of Revenue.

**J. Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**K. Subsequent Events**

Management has evaluated subsequent events through February 19, 2019; the date these financial statements were available to be issued.

**5. Note Payable – Eagle County**

The Partnership executed a promissory note with the County on October 1, 2007, in the principal amount of \$1,315,000. The note, which matures December 31, 2050, is secured by a deed of trust on all constructed leasehold improvements related to the Project. Interest accrues and compounds annually at a fixed rate of 3.2% per annum, which approximates the effective interest rate.

The promissory note calls for annual principal payments to be made on or before June 1 to the extent available from the Project's Residual Receipts for the immediately preceding year.

For the purposes of the promissory note, "Residual Receipts" is defined to include all rents, revenues, consideration or income (including capital contributions) derived by the Partnership in connection with or relating to the leasing or operation of the residential units of the Project, including any revenue derived from any refinancing of the Project, less customary and reasonable costs and expenses in connection with the operation and maintenance of the Project; all payments of Asset Management Fees, General Partner Management Fees and any deferred Developer Fees; and all amounts reserved by Borrower as a replacement reserve and an operating reserve for the Project as required by the Limited Partner. Under the terms of the agreement, the Asset Manager is to receive a monthly asset management fee in compensation for the provision of services to assure that the Limited Partner receives sufficient information from the Partnership on the operation of the Project and to protect the Limited Partner's investment in the Project. The asset management fee is \$100 per month and is payable in accordance with the Asset Management Fee Agreement.
