The 17-acre Two Bridges Boat Launch property is located approximately 1 mile north of Bond on Colorado Highway 131. The property was purchased for \$690,000 using Open Space Funds to serve as a boat launch site and take-out on the Colorado. In addition, to the 17 acres, Eagle County acquired the rights to lease 543-acres of State Land Board property. Pending various approvals, the State Land Board property will provide an additional one mile of public fishing access.

Eagle County anticipates that the primary uses of the property will be as a river access site for those taking-out or putting-on the Colorado River. Fishing will likely be another popular use.

Current site plans anticipate improving the parking lot, installing interpretive and regulatory signs, developing a boat launch area, and providing a restroom. The site will be made available for day-use only.
