

Chapter IV

Reserved For Future Use

Chapter IV previously contained the Individual Sewage Disposal System (ISDS) Regulations, which were removed from the ECLUR's in 2014. New regulations governing septic systems replaced the Eagle County Land Use Regulations Chapter IV and are now available on the Eagle County Environmental Health website. The Eagle County Public Health Agency On-site Wastewater Treatment System (OWTS) were approved by the Eagle County Board of Health, effective June 27, 2014.
