

# NOTICE

Beginning June 13, major construction at the intersection of Edwards Access Rd and US Highway 6 will require temporary closures of the HWY 6 @ Edwards Spur Rd West and HWY 6 @ Riverwalk East ECO Transit bus stops.

## Roundabout – Phase 1

June – July 2019

These closures will be in effect into July during the first half of the roundabout construction. Once the first half of the functioning roundabout is completed, construction will move to the other side of Highway 6 and the opposite stops will be closed.
