Criminal History Record Information (CHRI) Searches Provided by the Colorado Bureau of Investigation (CBI)

Our service is provided pursuant to CRS 24-72-306 includes the following.

Internet Based Name Search - \$6.85. The search requires a **credit card** and is conducted using full name and date of birth. Internet address: www.cbirecordscheck.com

Manual Name Searches - \$13.00. The search is conducted of our files using full name and date of birth. **PERSONAL CHECKS ARE NOT ACCEPTED.** Remit only business checks that are preprinted, money orders, cashier checks or certified checks.

Fingerprint Search - \$16.50. Fingerprints are searched through our Automated Fingerprint Identification System (AFIS) and any record matching by fingerprints is provided, regardless of the name(s) used at time(s) of arrest.

Fingerprint Search (specific agencies authorized by law) - \$17.50. Fingerprints are searched through our Automated Fingerprint Identification System (AFIS) and any matching record by fingerprints is provided regardless of the name(s) used at time(s) of arrest. Specific agencies authorized by law will receive subsequent notification of arrests.

CBI/FBI Fingerprint Search - \$38.50

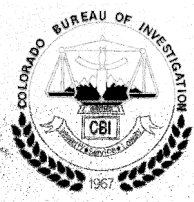

CBI/FBI Fingerprint Search - \$39.50 (*specific agencies authorized by law*)

For the purpose of a state or federal law mandating fingerprints be searched through FBI records, the FBI searches fingerprints forwarded by the CBI. The FBI responses are limited to governmental agencies that must be responsible for the criminal history record information provided by the FBI.

Please make payment, in the exact amount, to the CBI. When CBI receives payment that is not the exact fee for CHRI submission, the submission with the payment will be returned to the agency or an individual with a request for the exact fee.

Note: CBI records reflect fingerprint-based arrests provided by Colorado law enforcement agencies for the **State of Colorado** only. Arrests which are not supported by fingerprints will not be included in the record. Additionally, warrant information, sealed records, and juvenile records are not available to the public. The CBI relies on criminal justice agencies forwarding fingerprints to the CBI for inclusion in our records. The CBI also has to rely on the courts fingerprinting persons who are summoned into court rather than being fingerprinted by the
